

ANOTHER GOOD SEASON IS ALREADY IN STORE!

Bryncir Garage
Garndolbenmaen,
Gwynedd, LL51 9LX
www.mtraccymru.co.uk

Dear Customer,

The 2008 season has just ended. The overall result is good, in view of the weather conditions. **We can tell you right now that most of the repairs we carried out during the season were on machines that had not been serviced and in some cases major repairs were required.**

So to prepare for the 2009 season, start right now by bringing your equipment to us. First of all for an inspection, then for a service. This will ensure that next season will be worry-free for you, thanks to:

- **Our wealth of Experience with all makes and models of machinery.**
- **A reduced risk of breakdown for your equipment when you need it the most.**
- **Considerably improved performance.**
- **Controlled operating costs.**

We have also reserved a number of exclusive advantages for you, all of which are available immediately:

- **FREE** inspection on your *Anti-Freeze* and battery condition.**
- **DISCOUNTS** on parts only prices**
- **BIGGER DISCOUNTS** on parts if the service is carried out by us.**

Offers Expire January 2009

These are the components that are checked during the **WINTER SERVICE**:

We know every aspect of your equipment. This is why certain other operations may be necessary, depending on the accessories installed and what you use the equipment for.
